

MORTGAGE BURNING AT PYTHIAN CASTLE HALL.

Least Dollar Paid—Vice-President Graham and Vice-President Jonathan.
Large Crowd—Much Enthusiasm and Money.

August 2, 1904, marks an important event in the history of the Pythian organization of Virginia of which Mr. John Mitchell, Jr., is the official head.

This beautiful castle was purchased and fitted up in modern style, with every convenience, heated by a fine boiler and 23 radiators, lighted by gas and electricity, contains a handsome parlor, dining hall, kitchen, besides lodge rooms duly equipped and opened to its members July 4, 1903, at a cost of about \$9,000.

Every dollar of that amount was raised within twelve months, and the last note paid to the Mechanics Savings Bank five months ahead of time, causing great jubilee among the members of the order.

The hall was literally packed with an enthusiastic, appreciative audience and the following program was magnificently rendered:

EDITOR JOHN MITCHELL, JR.,
Richmond, Va.

Scripture reading, Rev. S. C. Burrell; prayer, Rev. A. S. Thomas; address, Rev. W. F. Graham; Miss M. L. Chiles read a fine paper showing the financial condition of the business department. She read the names of those on her ten dollar list, who had paid \$300 in about three weeks. Mr. John Mitchell, Jr., President of the P. C. I. A., in his magnetic manner entertained them with facts, relating to Department A, and the Mechanics Savings Bank, and inspired all to rally to his next appeal.

The figures showed that in two years time this order has paid for \$18,000 worth of property with only an unpaid debt of \$1,500 on the old hall. Total receipts were \$16,252.36; expenses, \$15,986.86; balance in hand, \$1,266.66, while nearly \$9,000 have been paid by the Lodges and Courts on stock.

The Bank has a cash balance of over \$50,000, owns about \$30,000 worth of real estate and has handled over \$441,000 in two years. The rents from the property pay all the Bank expenses.

This superb management or financing by Mr. John Mitchell, Jr., has caused him to be styled, the "Prince of Financiers." Mr. Mitchell divided his positions of honor, permitting Dr. W. F. Graham to represent the P. C. I. A. Vice-President H. F. Jonathan to act as President of the Mechanics

Savings Bank in the Mortgage Burning.

Dr. Graham presented the check for the balance of the money to Mr. Jonathan, who in return gave over the mortgage papers and release deed to Dr. Graham. Lawyer Hewin read these papers to the vast audience.

Captain Ben Scott arranged the large pot in an unique manner, while Miss Marietta L. Chiles, G. W. R. of Deeds, who had raised so much money on stock had the honor of striking the match and lighting the mortgage papers, assisted by Dr. Graham. The whole program was enlivened by sacred music.

The vast audience then passed down into the dining hall, partook of refreshments and with happy hearts wended their way home. The whole affair was managed magnificently.—*Planet.*

The Young Men's Business Association, No. 1, will give a grand prize picnic at Madres Park, Eckington, D. C., Wednesday, August 24. This association has prepared an interesting program and has secured the services of the Invincible orchestra, of which, that prince of musicians, Edward F. Ambler, is director. Refreshments will be served by a committee of ladies, and a good time is expected.

The New York & Liberia Steamship Company is a Negro Enterprise. It has a unique and unchallenged claim to the support and patronage of all Afro-Americans and well wishers for the success and promotion of Negro combinations of commercial and financial advancement; a corporation of Negro stockholders primarily, with a capitalization of fifty thousand dollars, to be increased to eight hundred thousand dollars as soon as the interests of the Company and the commercial needs of the trade demands it, and it is obvious that the New York & Liberia Steamship Company is the only one in existence that will run a line of steamers in the near future between the port of New York and the ports of Liberia, touching at Cape De Verde, going as far south on the West Coast as Bonny and Gaboon.

The enthusiastic and hearty support of the race to this Company offers a field of profitable and honorable support to the Negro, hitherto absolutely closed. In it, the Negro becomes a strong competitor on equal footing in the commercial world. The success of this Company insures munificent returns in the shape of profits to the investors and shareholders. You may now secure a share of stock at five dollars.

Ye men and women of the Race lose not this commercial opportunity. For further information apply to Main Office, 116 Broad Street, N. Y.
